ESTIMATED FISCAL IMPACT ON FEDERAL & OTHER FUND EXPENDITURES:

BILL SUMMARY:

This Joint Resolution would allow the governing body of a county to allow county officials charged with collecting taxes on real property for property tax years 2008 and 2009 to waive or reduce the penalties on late payments. This waiver must be done by resolution of the governing body and specify the terms and conditions under which the penalties may be waived or reduced.

EXPLANATION OF IMPACT:

There is no impact on the General Fund of the State as a result of this legislation.

LOCAL GOVERNMENT IMPACT:

There is no direct impact to local governments with the adoption of this Bill since it is permissive in nature. However, if a governing body elects to approve a waiver or reduction in late payments, a reduction in revenue will occur. A survey of county governments indicates that this loss of revenue would affect the county, as well as, municipalities, school districts, and special purpose districts within that particular county. Listed below are examples of late fee amounts collected by certain counties.

Richland County	\$4,000,000
Greenville County	\$3,911,370
Georgetown County	\$ 673,000
York County	\$1,750,000

SPECIAL NOTES:

None.
